BOARD OF HARBOR COMMISSIONERS.

By its Chairman,
J. W. CALDWELL, (S.)
Honolulu, February 17, 1914.
5781-10t.

OVER-NIGHT ASSOCIATED PRESS NEWS

CASTILLO CAUGHT IN UNITED STATES

EL PASO, Tex.—Maximo Castillo, the Mexican bandit who is charged with being responsible for the Cumbre tunnel disaster on the Mexican North-western Railway, and who was reported captured and executed last Wednesday by a detachment of constitutional soldiers sent out by General Villa to hunt down the bandit leader and his band, was captured yesterday by American troops 30 miles south of Hachita, New Mexico.

Castillo told the American troops that he avoided the range of mountains on the Mexican side and made a detour which brought him on the American side.

Investigation last night revealed that the reports received here last Wednesday that Castillo and six of his men had been captured and executed in the mountains had been circulated by friends of the bandit leader to throw pursuers off the scent. It is admitted that seven of the band were executed at that time and one of them was pronounced as being Castillo as a subterfuge to lessen the sternness of the chase after the desperado.

REMAINS OF ILL-FATED EXPEDITION FOUND

NEW YORK.—Members of the expedition headed by Capt. J. Campbell Bealey, famed polo player, soldier and traveler, returning here after an exploring trip into the uncharted regions of South America, the report that they found the bones of the members of the Cromer party which entered the wilds of Peru nearly two years ago and from that time no word has ever been heard of the party. Hip and thigh bones and other traces convinced the Bealey expedition that they could not be other than the remains of the Cromer party and a cross was erected to their memory and to mark the spot. Trace was also found of the lost Selja expedition which entered the wilds in search of rubber. The party also reports the discovery of a new Inca city in Peru.

PRESIDENT ABSOLVES SECRETARY TUMULTY

WASHINGTON, D. C.—In a letter to the editor of the Protestant Magazine, a local publication, President Wilson denied emphatically yesterday that his correspondence is handled with religious prejudice by Secretary Tumulty. Editor Wilson had told President Wilson by letter that the feeling existed that it was practically impossible for communications relating to the activities of the Roman Catholic church to reach him personally. Secretary Tumulty is of the Catholic faith.

ELECTRIC SHIP BIG SUCCESS.

WASHINGTON, D. C.—The electrically driven collier Jupiter scored a big success on his trial trip in southern California waters, according to advices received here yesterday by the navy department. Though rated as a 14-knot boat, the Jupiter maintained an average speed of 15 knots for 48 hours. The results of this first experiment and test of electrical propulsion for navy vessels are highly pleasing and gratifying to the heads of the department.

FUEL COMPANY OFFICERS GUILTY OF FRAUD

SAN FRANCISCO.—James B. Smith, F. C. Mills and E. H. Mayer, officers and employees of the Western Fuel Company, charged with conspiracy to defraud the government by juggling weight figures and avoiding payment of customs duties on coal, were found guilty by a jury here after a long and sensational trial. Edward J. Smith was acquitted.

FORMER HONOLULU INHERITS \$5,000,000

SAN FRANCISCO.—Charles Case Deering, who spent some years as a resident of Honolulu, is to receive \$5,000,000 as his share of the estate of his father, the late William Deering, harvester manufacturer, who died a short time ago. The will has just been admitted to probate in the Chicago courts.

LONDON TEACHERS WIN STRIKE

LONDON.—Teachers of the elementary schools who went on a strike February 2, have attained the end which they sought. By a concerted holdout, refusing to conduct classes, and being supported generally by parents of school children, the striking teachers forced the educational department of Hereford county to grant substantial salary increases.

It takes two heads to make a bargain—but only one to have an ache. We might also add that it takes but one dose (and that tasteless) of "Shac" to drive away the ache. Millions of headaches are cured every year by this remedy—to say nothing of neuralgia and other painful affections. Insist on "Shac"—advertisement.

Helene Brought Island Cattle

Cattle from Hawaii numbering 77 head, with 2000 sacks of sugar, made up the inward cargo brought to Honolulu in the steamer Helene yesterday. The vessel had an assortment of products and sundries. Much rain is reported to have fallen along the Hamakua coast and prevented the speedy handling of sugar.
